UNIVERSITY OF CAMBRIDGE COMPUTER LABORATORY

COMPUTER SCIENCE TRIPOS, PART III, 2017–18

Announcement by the Head of the Computer Laboratory

This Announcement relates to Regulation 19 of the Computer Science Tripos which is as follows:

> 19. A candidate for Part III shall offer a combination of written papers, project dissertations, essays, and demonstrations of research training as duly specified by the notice of the Head of the Department.

During 2017–18, candidates taking Part III of the Computer Science Tripos are required to undertake the following nine modules of assessed work:

(1) A project dissertation (worth four modules).
A candidate for Part III shall submit the proposed title of her or his dissertation to the Head of the Department by 27 October 2017, and shall obtain the approval of the Head of the Department for the title by 30 November 2017. Two copies of the dissertation, which shall be computer-printed and shall not exceed 12,000 words in length, excluding appendices, footnotes, and bibliography, shall be submitted by the candidate to the Head of the Department so as to arrive not later than 12 noon on 1 June 2018.

(2) Five taught modules taken from those listed in the Notice published by the Degree Committee for the Faculty of Computer Science and Technology on the modules available for study for the M.Phil. in Advanced Computer Science (Reporter, 21 June 2017), save that the Research Skills Programme is not mandatory for Part III candidates and Part III candidates may not select Special topics S500 or S501. The assessment method for each module shall be as given in that Notice.
